Certain portions of the statements contained on this website, are forward-looking statements that involve a number of risks and uncertainties. Factors that could cause actual results to differ materially include the following: business conditions and growth in the Company's industry and general economy; competitive factors, risks due to shifts in market demand; and the risk factors listed from time to time in the Company's reports filed with the Securities and Exchange Commission as well as assumptions regarding the foregoing. The words "believe," "estimate," "expect," "intend," "anticipate" and similar expressions and variations of such expressions identify certain of such forward-looking statements, which speak only as of the dates on which they were made. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. Readers are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those indicated in the forward-looking statements as a result of various factors. Readers are cautioned not to place undue reliance on these forward-looking statements.

The information contained in the press releases accessible through this website should be viewed as accurate only on the date the press releases are rendered. Changes in circumstances could have occurred from the date of such press releases that might materially affect the information contained therein.
